CONSUMER DECISION MAKING

Consumer Decision Making Contest will be a different time this year they have moved the contest from April to February. The contest will take place the Friday of the San Angelo Stock Show, February 24. The stock show will be offering a scholarship for high point individual in the Senior division only. Practice days are:

January 19th - 5:30; January 26th - 5:30; February 9th - 5:30; February 16th - 5:30 - for all Juniors and Intermediates

If Seniors need to meet at 6:30 on these same dates, please call Sandy.

No Pass - No Play

Being that 4-H is an extracurricular activity that is recognized by the Texas Education Agency, 4-H will abide by the "No Pass, No Play" ruling. If you receive failing grades on report cards, you are ineligible for 4-H activities (meetings, clinics, food show, stock shows, etc.) for 3 weeks. If you bring your grades back up to passing, you may participate again. We do check grades with all schools in the county. Also, for those with livestock projects, if a student is ineligible, the project is also ineligible and someone else cannot show it for you.

Stock Show Time - Concession Stand Help!!

The Runnels County Junior Livestock Show will be held in Ballinger at the Community Center on January 12-14. Runnels County 4-H Clubs will again be partners in working the concession stand. Remember that if you work a shift in the concession stand, your club earns money and you earn **15 points** on your point page for next year's trip. You can see that there are open spots, so call us if you want to help. If your shift is during the premium sale, you will be excused during your time in the ring. **Please do NOT just show up and expect to help without being on the schedule.**
